Policy Name	Cash Handling Policy	Approved	March 21st 2022
Responsibility	Sally Herbert	Review Date	March 2023

Purpose

Toolangi Primary School is committed to ensuring that cash handling practices are consistent and transparent across the school.

Toolangi Primary School will implement the measures outlined below, in accordance with Department guidelines. This policy intends to safeguard and protect the staff involved in the receipt and collection of monies and minimise the risks associated with cash handling.

Scope

This policy applies to all school staff or volunteers involved in handling cash on behalf of Toolangi Primary School.

Policy

Roles and responsibilities of staff

At Toolangi Primary School our Business Manager is responsible for managing cash at our school.

Where possible, segregation of duties will be maintained so that no individual will be responsible for more than one of the following:

- receipting of cash and issuing receipts
- preparing the banking
- taking the monies to the bank
- completion of the bank reconciliation

If this is not possible due to lack of available staff, the Department's "Segregation of Duties – Cash Checklist" will be implemented and signed off for audit purposes.

Storage of cash

Monies are to be kept in either a controlled access safe or cash drawer during the day. If funds are kept on the premises overnight, they must be locked in our school's secured safe.

No monies are to be kept in classrooms or left at school during holiday periods.

All monies that are collected in the classroom will be forwarded to the office in a named envelope by the classroom teacher as soon as possible after collection.

Money collected away from the classroom or general office e.g at a fundraiser is to be handed to the office on the day of receipt unless circumstances make this impracticable. Money received away from the office must be double counted at the point of collection and a control receipt issued before it is provided to the office for banking.

Records and receipting

All receipts are to be processed in CASES21 as quickly as practicable upon receiving the funds.

Monies received from the classroom will be entered into CASES21 and receipts returned to the classroom to be handed out to students within 48 hours.

Where monies are received over the counter at the office they will be entered into CASES21 and an official receipt issued immediately to the payer.

A CASES21 bank deposit slip will be printed and reconciled with total receipts for the day and with the total of cash/cheques to be banked.

Funds are to be banked at the earliest possible date by the Business Manager and are kept in the school safe until the banking process is completed.

No receipt is to be altered. Where a mistake is made, approval must be sought before reversing the incorrect receipt. Copies of the incorrect receipt should be retained with details of why it was reversed.

Prior to a receipt batch being updated a receipt can be reprinted if necessary. The word REPRINT appears on the receipt. After the batch has been updated, if a copy of the receipt is requested the Family Statement, Family Matching Transactions Report or the Family Transaction History can be printed.

Cheques

No personal cheques are to be cashed.

All cheques received by mail are to be entered in a remittance book, and all cheques, which have not already been crossed "not negotiable", should be crossed as soon as they are received.

Fundraising

The Principal and Business Manager will be designated as 'Responsible Persons' for all school fundraising events or other approved events where monies may be collected, for example, the Harvest Festival. The forms which will be completed are Cash Handling Authorised Form Fundraising Collection.
