### **Scope**

This policy applies to:

- all staff/responsible persons involved in management of funds transacted electronically.
- all transactions carried out by Toolangi Primary School via the methods set out in this policy.

### **Policy**

Toolangi Primary School has developed this policy consistently with the [Schools Electronic Funds Management Guidelines](#) and [Section 4 Internal Controls](#) of the Finance Manual for Victorian Government schools.

### **EFTPOS**

Toolangi Primary School does not provide an EFTPOS facility for parent payments

### **Direct Debit**

- All direct debit agreements must be approved and signed by the school council prior to implementation.
- The school council requires all suppliers to provide tax invoices/statements to the school prior to direct debiting any funds from the school's account
- A direct debit facility allows an external source e.g. VicSuper. Schools should add external suppliers relevant to them to a pre-arranged amount of funds from the school's official account on a pre-arranged date. Any such payments will be authorised as appropriate and required.
- Toolangi Primary School will ensure adequate funds are available in the Official Account for the "sweep" of funds to the supplier.

### **Direct Deposit**

- Toolangi Primary School utilises a "two user authorisations of payments" banking package, as it contains a greater degree of security and access controls.
- Creditor details will be kept up to date and the treatment of GST for creditors will be monitored.
- Payment transactions will be uploaded as a batch through the CASES21 system.
- All payments made through the internet banking system must be authorised by two authorised officers.

The various internal controls that need to be considered include:

- the identification of staff with administrative responsibilities e.g. Business Manager to access statements and upload batches
- the identification of staff with authorisation/signatory responsibilities e.g. The Principal and School council delegate for the authorisation of payments
- the Business Manager must not have banking authorisation/signatory responsibilities other than for the transferring of funds between school bank accounts
- the allocation and security of personal identification number (PIN) information or software authorisation tokens
- the setting up of payee details in CASES21
- the authorisation of transfer of funds from the official account to payee accounts
- alternative procedures for processing, using the direct deposit facility, for periods of Business Manager's and Principal leave of absence.

### **BPay**

Toolangi Primary School school council will approve in writing the school council's decision for the utilisation of BPAY.
